Dear Pastors, Friends, and Supporting Churches,

Thank you all for your faithful financial support and prayers for the pastors, families of the Faith Baptist Church Philippine Ministry! As these precious family's juggle, the changing environment of COVID-19, the repeated government enforced quarantines, the community's fears, these pastor's and their families have continued to press on for the Lord. With many missionary's having to leave the foreign field, the FBCPM has continued in the trenches preaching the Gospel, going soul winning, having discipleship Bible studies, and helping build Pastor Tom Guevarra's church building.

During this past month, the Lord has provided for two new properties on the Polilio Island. Pastor Elmar, Pastor Balanquit, and Pastor Jerime are faithfully serving on the Polilio Island. One property is near the center of Bonbon and is 360 square meters. A second property was donated for Pastor Jerime to use at Matangcap. Pastor Jerime uses a boat to visit many of his church members and has Bible studies on Monday's and Tuesday's. It is a very exciting time to be serving the Lord!

Looking unto Jesus,

Pastor Tom Guevarra's church construction is pressing on in the midst of COVID-19 restrictions and additional precaution's being taken. We thank the Lord for your faithfulness with enabling this church building to be built! The Final Preparations being made to pour the concrete for the roof of the church. As the church grows, it is designed for the roof to be the second floor for additional space.

We thank the Lord for Pastor Hubert G. Hernandez's faithfulness! They have recently moved to a new location that is twice the size for half the price. The rent is now \$60 U.S. dollars a month!

A recent picture of Pastor Benjo's church family for Sunday service. Pastor Benjo is consumed in reaching his country for Christ! What an encouragement!
