Dear Pastors, Friends and Supporting Churches,

This past month has been such a blessing! People saved, baptized, and added to the church is only the beginning of all that is taking place. Despite quarantines being placed upon the communities and then lifted and then placed upon them again, the Lord has been blessing the persistence of the pastors of the Faith Baptist Church Philippine Ministry! There is much fruit that abounds to your account in praying and giving to this church planting ministry.

Please pray for the Lord to continue to raise the financial support for the ministry with there being Bible college students that are hungry to be planting churches in the not-too-distant future. Please pray for the Lord to fill the schedule to present all the Lord is doing throughout the FBCPM.

This past week, Pastor Hubert Hernandez was blessed to be able to lead Mrs. Nanay Josefa de Belen to the Lord! She is 79 years old! Praise the Lord! She will be attending church this coming Sunday and desires to have Bible studies to be held at her home so that her family and friends can learn of this Jesus that lives in her heart.

Pastor Domingo Balanquit has been busy soul winning for the Lord! He has been baptizing those that have gotten saved recently and starts the Bible discipleship classes with those new converts! When I visited Pastor Balanquit, it took a 6-hour ride from Pastor Sammy Medina's church in Santa Maria, and then a 4-hour boat ride across the ocean to get to Polilio Island where Pastor Balanquit serves the Lord. Pastor Balanquit recently celebrated his 72<sup>nd</sup> birthday. Please pray for him to continue to have good health in serving the Lord in a great way.

We would like to send extra funds for these precious pastors, Christian workers, and their families to have a little extra for Christmas. If the Lord leads you to do so, please address the check to Faith Baptist Church, and on the memo, please write "Philippine Christmas". It is an honor to be partnered with you and your mission's family!
