Dear Pastors, Friends and Supporting Churches,

We thank the Lord for your faithful prayers and financial support for this church planting ministry! We want to say thank you to everyone that sent extra for Christmas funds would be available to the Philippine pastors and their family's!

Pastor Hubert Hernandez is pastoring in the municipality of Dona Remedios Trinidad. It is covered with hills, valleys, and mountains. Pastor Hernandez and a few church members walked 3 hours on a survey trip for a possible church to be planted in the Camachile barangay, which is one of seven barangays in Dona Remedios Trinidad. It is reported that there are over 900 households scattered across the mountainous area. It is a great opportunity for a church to be planted! Please pray for the Lord to give wisdom and safety in this matter.

Pastor Dante Mendoza pastors a church in the municipality of Bugallon, in the Pangasinan Province. With almost 75,000 people living in this province, Pastor Mendoza and Mrs. Mendoza have been busy! They have been able to have church services, Sunday school, Kids Outreach and Bible studies! I remember visiting with Pastor Mendoza and seeing the church property and praying for the Lord to fill it. It is exciting to see the Lord doing exactly that, filling it with precious folks needing to hear the Gospel.

Pastor Mark Virrey has been working through strict quarantines in the Bataan province. The church is too large to gather in one location. So, Pastor Mark Virrey meets with the church family in two different locations and continues to serve the Lord faithfully. Pastor Virrey's faithfulness is resulting in the two locations to grow with folks getting saved and inviting their friends and family. On my last visit to the Philippines, Pastor Virrey took time to take me around the neighborhoods where he ministers. You could see his desire to reach those communities for Christ!

We want to thank the many churches that we have had the honor to come and present this church planting ministry in 2021! Our hearts have been encouraged and strengthened with your hospitality and kindness to the Faith Baptist Church Philippine Ministry. Please pray about partnering with this ministry financially on a monthly basis. The results will impact so many for all of eternity.

Looking unto Jesus,
