Dear Pastors, Friends, and Supporting Churches,

We thank the Lord for His faithfulness to us at the Faith Baptist Church Philippine Ministry! It's been a great couple of months throughout the FBCPM! Folks saved, baptized, and added to the church!!! A group of us will be going to the Philippines October 31st to be part of the Pastors And Workers Conference at Christian Baptist Church in Santa Maria, Bulacan, Philippines. Please pray about giving towards this conference. We will be flying 5 of the Philippine pastors in, to attend the conference. Pastors and workers in the church will be traveling in from Polilio Island, Quezon, Pangasinan, and Bataan. The total expense for this conference is \$3,500. I remember attending the first conference back in 2018. I met young men that were in Bible school and serving in the local church. Today they are pastors involved in church planting across the Philippines! This is fruit that abounds to your account! Thank you for giving and praying for the Faith Baptist Church Philippine Ministry!

Please pray for the two new outreaches in Bataan. One area is a Resettlement area. I have been to this area with Pastor Sammy Medina. The people in the resettlement area have a Aboriginal Australian family history. The second area is in Bagac, Bataan. Bagac is the largest municipality in Bataan. Bagac is made up of 14 different barangays (neighborhoods) adding up to over 31,000 people. Please pray for the church planting efforts in these two precious areas!

Looking unto Jesus,
