**January 2023**

Dear Pastors, Friends, and Supporting Churches,

January 2023 has started as such a blessing from the Lord! People getting saved, baptized, and added to the church, Bible studies being started and growing, and a huge opportunity in purchase land for a growing church family!

- Pastor Noel Bajan- serving the Lord at CBC Negros, Occidental, Philippines. It is the 4<sup>th</sup> largest island in the Philippines. Pastor Bajan and church members were dedicated in walking over 3 miles up and down the mountains on visitation to reach the homes of church members.
- Pastor Alvin Balanquit of Christian Baptist Church in Muzon, San Jose shared the following: “Sunday afternoon we went soul winning. We are thankful to God for the Ferrer family for being part of this ministry. They have shared the gospel to 5 persons who confessed their faith in Christ and were born again! We also have witnessed to 9 people. We met some folks playing baseball. We made a deal to play basketball with these young people and in exchange to buy them soft drinks and to share the gospel. Glory to God for these youth who confessed their faith in Christ and were born again.
- Pastor Joseph Daigo’s church family is growing due to the soul winning, discipleship and Bible preaching church services! An opportunity has opened to purchase 500 square meters of land right beside a main road for \$12,000 U.S. dollars. Only \$8,000 U.S. dollars remains for this property to be purchased by the end of March. I have visited the building that Pastor Daigo is renting for church. They are maxed at capacity and growing! Please pray about helping this property be purchased. Exciting opportunity! If you wish to give to help purchase this property, please make the check payable to Faith Baptist Church with the memo: Faith Baptist Church Philippines. The check can be mailed to 2738 S. Post Road, Shelby, NC 28152.

Pastor Noel Bajan and church family trekking through the mountainous terrain for several miles on visitation.

Pastor Alvin Balanquit and church family on visitation, preaching to the youth they played basketball with that afternoon.

Bringing people to church, evangelistic youth activities, and weekly Bible studies keep Pastor Alvin Balanquit busy for the Lord.

Pastor Joel Nieva and family lives in Padre Burgos, Quezon. He pastors the Peninsula Christian Baptist Church at Unisan, Quezon Province. While the town of Unisan may have been founded in 1521, there is still a very real and present need for the Gospel to be shared with so many people in this region!

Pastor Jun, Phil-Kor Christian Baptist Church at the Barangay Caysio, Santa Maria, Bulacan, Philippines. Pastor Jun is a very disciplined in the soul winning, discipleship and reaching their community for Christ!

Here are some pictures of the 500 square meters that is for sale next to the main road. We are praying for the \$8,000 to come in before the end of March. This church family is growing! The pictures below are of Pastor Joseph Daigo's recent services and new believers being baptized! Hallelujah!
