Dear Pastors, Friends, and Supporting Churches,

Reading the Bible, I am reminded of a phrase from Acts 1:8 “the uttermost part of the earth.” When the Lord Jesus came to earth from heaven, He came to the uttermost part for you and for me! I am thankful someone came by my way and by your way to share the Gospel! With several thousand islands that make up the Philippines, we have several church planters that are reaching the uttermost parts of the Philippines with the Gospel.

Pastor Elmar Ritual pastoring two churches on the Polillo Island. His time is spent soul winning, conducting Bible studies, and visiting the members of the two churches. One church is in the village of Bon-Bon, and the other is located at Bongliw. Pastor Ritual is gifted in finding homes in places others would not even think to look. He then shares the Gospel and spends time with that family.

Pastor Winsly Gucilar is church planting in the village of Matangkap at Panukulan, on the Polillo Island. With his Bible in his hand and his sandals on his feet, he walks up and down the trails of this island out in the open ocean out in the uttermost parts of Polillo Island to share the good news of the Lord Jesus Christ! One person at a time, one Bible study at a time, one church service at a time, and these faithful men of God will reach Polillo Island for Christ!

I would like to give an update about the land for Pastor Daigo. Pastor Joseph Daigo’s church family is growing due to the soul winning, discipleship and Bible preaching church services! An opportunity has opened to purchase 500 square meters of land with only \$3,000 U.S. dollars remains for this property to be purchased by the end of March. I will include the link to the 2-minute video for you to hear from Pastor Daigo about this opportunity. <https://www.youtube.com/watch?v=3Fz7CUbIUg8>

We would be grateful if you and church family could pray about possibly helping us close the gap on this purchase of land. Donations may be mailed to Faith Baptist Church, 2738 S. Post Rd., Shelby, NC 28152. Checks may be made payable to Faith Baptist Church with the memo “Philippine Land Purchase.”

Looking unto Jesus,
