Dear Pastors, Friends, and Supporting Churches,

What a blessing it is to share with you of the souls that have been led to the Lord, followed in believer's baptism and faithful in coming to church!!! In one year, the Lord has blessed the efforts of Pastor Joseph Daigo and family to go from 3-4 people in a church service to 50-60 people on Sunday mornings! Many saved, baptized and added to the church throughout the year! Last week this precious church celebrated their 1st anniversary! Within the first year, they have maxed out their current location for church services and the Lord provided for the purchase of land and funds have been provided for their building to be built in the next few months! Hallelujah!

In the northern part of the Philippines, in the Pangasinan province, Pastor Dante Mendoza and church family hosted a youth camp and had a tremendous attendance with the preaching of the Word of God and camp activities.

Pastor Domingo Garcia Balanquit has been busy baptizing the new believers that have been getting saved the past couple of weeks. Please pray for the pastors that are church planting on the Polillo Island. Pastor Balanquit of Kinlageti, Pastor Elmar of Bonbon, and Pastor Gucilatar of Kabankalan. The Lord has placed Brother Lawrence Nieva to assist in the evangelistic efforts throughout the week. Weekly, there are folks that are getting born again with the faithfulness of Brother Nieva. The Lord is truly doing a great work on the Polillo Island.

In preparation for attending Youth Camp in the Philippines for 2024, I am seeking to raise \$3,000 for this trip. This included the ticket to go to the Philippines, and expenses from traveling to almost 30 of the 35 churches that are scattered from Pastor Dante Mendoza at Pangasinan to the Southern end with Pastor Suedy Cabucos Jr., on the Iloilo Island, over to the Polillo Island and back through the Quezon province with Pastor Joseph Daigo. I would plan on being in the Philippines for a minimal of 3 weeks. I would be involved in preaching at the Youth Camp, Bible studies and the church services throughout the Philippines. Visiting the pastors and their church families in the Philippines, helps me in a great manner, as I seek to travel on their behalf here in the states to churches.

For those wanting to help provide for this endeavor, please mail the funds to:

My family and I are at 52.19% of our monthly needed support. If we have not come to your church to present the Faith Baptist Church Philippine Ministry, it would be an honor to come and present this church planting ministry to you and church family.

Brother Lawrence Nieva is an active soul winner and helping to evangelize the Polillo Island with Pastor Domingo Balanquit, Pastor Elmar and Pastor Winsly Gucilatar. Weekly, the Lord is opening the door for this young man to introduce many to the Lord Jesus Christ. This is fruit that goes to your account! "Not because I desire a gift: but I desire fruit that may abound to your account." Philippians 4:17
