Dear Pastors, Friends, and Supporting Churches,

This month finds the Faith Baptist Church Philippine Ministry with tremendous progress that will impact eternity!

Pastor Noel Bajan is church planting at Kabankalan, Negros Occidental, Philippines. This month they were blessed to be able to reach out to the children in the church and community with school supplies. Along with the preaching, discipleship, evangelizing that takes place on a weekly basis, it is a blessing as the church members sacrifice to give in help making a difference! Please pray for the Lord to use this time in the opening of the heart of the people in this region.

Pastor Domingo Balanquit has served the Lord for many years out at Polillo Island. He and team were blessed to travel by boat from Kinlageti, Polillo Island to Palasan Island at the Barangay Pakabangon. Brother Lawrence Nieva and several others along with Pastor Balanquit were blessed with 112 people getting born again! JESUS SAVES, JESUS SAVES, JESUS SAVES, HALLELUJAH!!! Please keep them in prayer as they follow up with discipleship with this large harvest of souls!

The construction has started on the church building for Pastor Joseph Daigo at San Narciso, Quezon Province! Many prayed, gave and sacrificed for this property and supplies to be purchased. Thank you very much from the Faith Baptist Church Philippine Ministry for making this possible! Pastor Medina and the other pastors loaded up supplies on the truck and made the journey to the site safely. Pastor Daigo and church family completed a great deal of preparation to the property in clearing trees and digging the footers. Please pray for their safety as they will be dealing with the high temperatures and high humidity while working these long hours.

My wife and I will be flying to the Philippines Friday October 27th and returning Thursday November 9th. We are praying and looking forward to attending the Pastor/Workers Conference on November 1st and 2nd. I will be preaching multiple times and Mrs. Vashtee will be speaking to the ladies. Praying for the Lord's blessing upon this trip.

Looking unto Jesus,

Pastor Noel Bajan is church planting at Kabankalan, Negros Occidental, Philippines. Here are pictures from their Sunday School and church services.

Pastor Noel Bajan’s church was able to provide school supplies to the children for their new school year!

Pastor Domingo Balanquit, Brother Lawrence Nieva and church family traveled to Palasan Island, Barangay Pakabangon to go share the Gospel.

The Lord blessed in a powerful way! Pastor Balanquit and team were blessed with 112 people getting born again with their trip to Palasan! This is eternal fruit to your account!

Pastor Sammy Medina, Pastor Joseph Daigo, and several of the other pastors with FBCPM are working to build the church building that you gave, sacrificed, and prayed to be purchased and constructed.
