January 2024

Dear Pastors, Friends, and Supporting Churches,

This year we would like to equip in a greater fashion, the church planting efforts of the Faith Baptist Church Philippine Ministry. Central to their educational and ministerial preparation is the access to a wealth of Bible study resources. This includes a diverse range of devotionals, comprehensive commentaries, and thematic books that assist their learning various aspects Biblical church planting. These materials are not merely academic tools; they are the bedrock upon which the depth of their spiritual wisdom and the breadth of their pastoral care skills are built. Furthermore, the tangible aspect of their ministry often involves the literal building of spaces where churches can gather to evangelize, discipleship and train. To this end, there is an equally pressing need for basic construction tools. Implements such as levers, saws, hammers, screwdrivers, drills, and circular saws are indispensable for our church planters. Equipped with these tools, they stand ready to lay the physical foundations of churches, ensuring that every new congregation has a welcoming and safe environment to call home. Considering these needs, we humbly invite you to extend your support by utilizing the balikbayan flat rate shipping service, a convenient and cost-effective way to these items directly to Pastor Medina, without the red tape and delays of customs.

The shipping address to mail the items to Pastor Sammy Medina is:

Christian Baptist Church
Pastor Sammy Medina
458 KM 37 Pulong, Buhangin,
Santa Maria, Bulacan, Philippines 3022

Your willingness to partake in this noble cause, to equip and share in the church planting efforts of the Faith Baptist Church Philippine Ministry is a source of immense gratitude for us. Every book, every tool, every resource you send is a seed planted in the fertile ground of the efforts to reach 100 million+ people for the Lord!

Looking unto Jesus,

Joshua Rhoades, Ephesians 3:20-21
