Dear Pastors, Friends, and Supporting Churches,

We are overjoyed to share the amazing blessings the Lord has poured out on the Faith Baptist Church Philippine Ministry, and we are immensely grateful for the heartfelt prayers and generous financial support from your church family! The month of June has been a truly remarkable time for our ministry. Across 36 churches, we have witnessed an outpouring of God's grace, with countless souls being saved, baptized, and welcomed into the local church of believers. Each new member represents a life transformed by the Lords, and it is truly inspiring to see the church grow and flourish in such a powerful way. In the village of Bonbon, the construction of the new church building is moving forward with great enthusiasm. Pastor Winsly and Brother Lawrence Nieva, along with the dedicated men of the church, are putting in tremendous effort to build the church building. They have taken on the challenging task of creating the concrete blocks themselves, demonstrating incredible commitment and resourcefulness. This hands-on approach not only saves costs but also strengthens the bond within the church community. We humbly ask for your continued prayers and support as we work towards securing the remaining funds needed to complete this vital project. Your contributions make a world of difference and help bring this vision to life. The discipleship classes led by Pastor Joseph Daigo and Pastor Elmer in San Narciso, Quezon Province, are experiencing significant growth. These classes are instrumental in nurturing new believers, equipping them with a solid foundation in their faith, and preparing them for a lifelong faithfulness with Christ. The enthusiasm and dedication of the pastors and participants alike are a testament to the transformative power of the Gospel. We are also excited to share that Pastor Sammy Medina has felt the Lord's leading to embark on a new mission in the Quezon Province. He will be dedicating up to two years to plant a new church in this area, with the goal of eventually handing it over to a trained pastor who can continue the work. This new endeavor is a bold step of faith and a testament to Pastor Medina's heart for church planting and discipleship. During his time in Quezon Province, the men he has trained will take on leadership roles at Christian Baptist Church in Santa Maria, Bulacan, ensuring that the ministry there continues to thrive. It is incredibly exciting to witness this dynamic ministry in action. Seeing men being trained, new churches being planted, the Word of God being preached, and lives being transformed is nothing short of miraculous. It's not odd, its God. The growth and expansion of the ministry are clear indicators of God's hand at work, and we are filled with gratitude and anticipation for what He will do next. Thank you from the bottom of our hearts for your unwavering support and partnership in this growing church planting ministry. Your prayers, financial contributions, and encouragement are instrumental in advancing the cause of Christ across the Philippines. We are honored to walk this journey with you and look forward to sharing more updates on the incredible work the Lord is doing through the Faith Baptist Church Philippine Ministry.
