Dear Pastors, Friends, and Supporting Churches,

We are writing to express our deepest gratitude and heartfelt appreciation for your unwavering support and dedication to the Faith Baptist Church Philippine Ministry. Your prayers, financial contributions, and encouragement have been the backbone of our efforts to spread the Gospel across the Philippines. We want to give a special shout-out to Old Rugged Cross Baptist Church, under the leadership of Pastor Jerry Allen. Your generous donation of \$5,400 has been instrumental in providing a roof for our church in Bonbon on Polillo Island. This will enable the church family to be a beacon of hope and a place of worship for many, allowing them to reach more souls with the love of Christ. Your support has been a true blessing, and we are incredibly thankful. We are also immensely grateful for Brother Lawrence Nieva, whose dedication and hard work in making hollow concrete blocks by hand have been crucial to the construction of our church in Bonbon. His commitment exemplifies the spirit of service and sacrifice that is so essential to this ministry. We are inspired by his tireless efforts and are thankful for his contribution to the Lord's work. Thanks to your continued support, many churches across the Philippines have been able to conduct successful summer camps and Vacation Bible Schools. These programs have brought joy and spiritual growth to countless children and families, planting seeds of faith that will bear fruit for generations to come. The weekly Bible studies and regular church services are also thriving, providing essential spiritual nourishment and folks getting saved among the congregations. Pastor Noel Bajan is making significant progress near Kabankalan, Negros Occidental, as he presses forward with the construction of a new church plant. This new facility will enable him to extend his reach and impact, bringing the light of the Gospel to even more people in this region. Pastor Hubert Hernandez has been blessed with good attendance in Doña Remedios Trinidad, Bulacan, where they recently celebrated their 4th anniversary. The growth and enthusiasm in this congregation are truly inspiring, and we are grateful for your prayers and support, which have been a source of encouragement for Pastor Hubert and his team. We also ask for your continued prayers for Pastor Sammy and Mrs. Melissa Medina as they travel to churches in the United States to share their calling to go to Quezon Province for two years to start a new church. Their mission is critical, and they are working diligently to raise the necessary financial support to make this vision a reality. Please also keep in prayer the several men who are completing Bible college and are eager to launch new church plants across the Philippines. They are in need of monthly financial support to sustain their ministries and fulfill the Great Commission in their respective regions. Once again, we extend our deepest gratitude to all our supporting churches for your unwavering support and prayers.
