February 2026

Dear Pastors, Friends, and Supporting Churches,

With a deeply grateful heart, I share this ministry update and give thanks to the Lord for His continued goodness and faithfulness in the work He allows us to serve in. As we look ahead to the Pastor/Workers Conference on February 25–26, centered on the theme, “All Glory Be To God Alone” from I Corinthians 1:31, we are filled with expectancy and praise. It is a true honor for me to travel there and preach in the evening services. Please pray that each message would clearly magnify Christ, strengthen believers, and encourage the laborers. Our desire is that in every message and every meeting, the Lord alone receives the glory. We rejoice in seeing the Lord’s hand at work in the field. On Polillo Island, Pastor Lawrence Nieva was blessed to baptize two new believers. What a joyful testimony of saving grace and obedient faith. Lives are being changed, and the Gospel continues to bear fruit before our eyes. We are also thankful to report that Pastor Joseph Daigo has begun a new Bible study with the goal of establishing a church in a new location. This is an exciting and important step forward. Please pray for open hearts, faithful attendance, and a strong biblical foundation as this work develops. The children’s Sunday school class in the village of Kinlageti is doing well under the faithful care of Pastor Rodel Trinidad. We thank God for the young hearts being shaped by the Word of God and for the consistent, loving investment being made into their lives each week. Additionally, Pastor Sammy Medina will be traveling back to the Quezon province to look at a potential new location about two hours away from San Narciso for the planting of another church. Please pray that the Lord will clearly direct, provide, and work out every detail as this project progresses throughout the year. It would be a great honor to visit your church, give an in-person update, and present this church planting ministry to you and your church family. I would be grateful for the opportunity to share what God is doing and how you can pray more specifically. Please feel free to contact me directly at 704-300-7247. Thank you so very much for your faithful prayers and for your financial support. We are truly grateful for your partnership with us as the ministry continues to grow — now reaching 43 churches across the Philippines. You are a real part of every sermon preached, every soul reached, every church planted, and every believer baptized.
