Dear Pastor, Friends, and Supporting Churches,

What a joy it is to see the Lord blessing in such a powerful and visible way throughout the Faith Baptist Church Philippine Ministry! Our hearts are overflowing with excitement, gratitude, and thanksgiving as we look at what God has done through the recent Youth Conference with the theme, “Beware: Spiritual Scams” from 2 Corinthians 11:14. With several hundred in attendance, young people gathered under the preaching of God’s Word, hearts were stirred, lives were challenged, and the truth was clearly proclaimed in a day when spiritual deception is everywhere.

We are especially thankful for how the Lord is blessing Pastor Jerime Valderama and the faithful workers serving alongside him. To see souls saved is the greatest joy of ministry, and to witness believers following the Lord in baptism in the ocean is a beautiful testimony of God’s continuing work. These pictures tell a story that words can barely hold—young people listening, churches gathering, preachers standing, believers rejoicing, and the gospel still changing lives.

We also ask you to please pray about helping with a very special need. Pastor Hubert’s church has outgrown their storefront building, and there remains \$7,000 needed for the land to be purchased. This is not just about property; it is about providing room for souls, families, preaching, discipleship, and future generations to be reached with the gospel.

Thank you to everyone who has prayed, given, encouraged, and supported the Faith Baptist Church Philippine Ministry. Your prayers matter. Your financial support matters. Your burden for the work matters. The Lord is blessing, doors are opening, souls are being saved, and churches are growing. We give God all the glory and ask you to keep praying as the work continues forward!

Looking unto Jesus,
