Dear Pastors, Friends, and Supporting Churches,

Our hearts are filled with gratitude as we pause to thank each of you for your faithful prayers and generous financial support of this church-planting ministry throughout the Philippines. Your partnership is far more than a gift—it is an investment in souls, churches, and lives being transformed by the power of the Lord Jesus Christ. We thank God often for your faithfulness and for standing with us in this work.

As we approach the beginning of the next semester of the Christian Baptist School of Bible and Ministries on August 3, we are excited to report that more than twenty students are expected to begin training. Pastor Sammy Medina, together with several faithful national pastors, will be teaching these courses as they prepare men to serve Christ more effectively through church planting, evangelism, and biblical leadership. We praise the Lord for raising up laborers for His harvest.

The Lord is also blessing Pastor Nelvin Mortega and the growing church in Norzagaray, Bulacan, a community of approximately 136,000 people. They continue making steady progress renovating a once-dilapidated building into a place where new believers can gather, worship, and grow in the faith. It is exciting to watch the Lord provide as this congregation continues to grow.

Pastor Joseph Daigo and his church family remain faithfully reaching families throughout the jungle villages surrounding San Narciso, Quezon. Pastor Sammy Medina recently shared that additional church-planting pastors have been assigned to this region because of the remarkable openness of many people to hear the Gospel and trust Christ as Saviour.

Please continue praying as the Lord opens more opportunities to present this church-planting ministry, which now consists of 43 churches across the Philippines. We are humbled by God's blessings and deeply thankful that He has allowed each of you to share in this ministry through your prayers, encouragement, and sacrificial giving. May the Lord richly bless you for your faithful partnership in advancing the Gospel.
