"...Immediately we endeavoured to go... assuredly gathering that the Lord had called us for to preach the gospel unto them." -Acts 16:10

September & October 2022

Dear friends,

We have some exciting news! The newest member of our family, Jason Kristopher, was born at 5:00 pm on October 7, weighing 8lbs 9oz. Rebecca and baby Jason are both healthy. We praise God for this new little life he has given our family. Already, he is attending Bible study with us and making new friends. Our five daughters have adjusted well to having a little brother in the house. They have been a big help with him—especially Deborah, our oldest, and Hannah, who turned ten years old in September.

God has been working during the past two months. Seven more people trusted Christ for Salvation! We have also seen some of the believers taking good steps towards Christ-likeness. The men of our Bible study have started to meet weekly for fellowship. This has given Matthew a good opportunity to disciple them. These men have the desire to be like their Savior, and it is exciting to watch them grow.

Benard, a man saved in August, has become faithful at Bible study. He walks almost two hours one way to attend. He invited Matthew and our Kenyan co-worker, George, to visit his rural home. His mother was very sick with stomach cancer. They had the opportunity to pray with his mother and to share the Gospel with his family (about 20 people) and the village chief. No one received Jesus that day. Since then, Benard's mother has passed away. We were able to see the family again at the funeral home. Benard is the oldest in his family and is concerned for their salvation. We are praying that his family will see that God is changing Benard and that they will want the salvation God has given to him.

As we enter the holiday season, we want you to know that we are thankful for you! We are blessed to have so many friends who pray for us and support us financially. Your sacrifice makes it possible for us to serve God in Kenya. We wish each one of you a happy Thanksgiving, a merry Christmas, and a blessed New Year.

### We praise the Lord for:

The safe delivery of our son, Jason  
The 7 people saved recently
