## Missionaries to Kenya, East Africa

"...Immediately we endeavoured to go... assuredly gathering that the Lord had called us for to preach the gospel unto them." -Acts 16:10

**November - December 2025**

Dear Friends,

We serve a great God! In our last letter we asked you to pray that God would provide the funds to purchase land for our church plant in Kericho, Kenya. We prayed for \$10,000 to \$20,000. We are so happy to tell you that God has provided a little more than \$20,000! Several supporting churches and anonymous donors gave toward this project, and we are grateful for each gift. Thank you for praying. God answered! Join us now in praying for God's direction as we begin looking for land after we return to Kenya. God already has the perfect place chosen for our church, we are asking for Him to lead us to that place at the right time.

Some have asked us about funds for a church building. We are not raising funds for a building at this time because we feel it is best for the church to raise their own funds for a building so that they feel a sense of participation and ownership in this process. Already, the church has saved some money, and they are continuing to collect monthly offerings towards a future building.

As our furlough travels continue, we are thankful for your prayers for us and your partnership in the Gospel. It has been such a joy to visit supporting churches and tell them of what God has done in Kericho, Kenya. Due to the holidays, our furlough travel had a slower pace during November and December, but God gave us opportunity to give updates in twelve churches across several states. Please pray for us as we finish our furlough; there are still quite a few supporters for us to visit before returning to Kenya in May.

It is a joy to hear that the church in Kericho is doing well even during our absence. There are two older men who have been attending the services for several months, but they have not yet made the decision to trust Christ for salvation. We are praying that they will make that decision soon. God has also been regularly bringing other visitors to the services. Please pray for wisdom for our co-worker, George, as he oversees the church in our absence, and pray that our church will continue to please God and grow in Christ.

### **We praise the Lord for:**

- His provision of the funds to purchase land for the church
- His protection and the opportunity to update supporters
- The faithfulness of the church in Kericho

### **We pray for:**

- Our family as we continue furlough travel
- George and our church in Kenya
- The salvation of two men attending the service
