GOOD NEWS OF JULY-AUGUST 2002

Dear W.W.N.T.B.M.'S Laborers,

Greetings from Spain in the holy name of our Lord Jesus Christ.

Last June our last converted, Alejandro, went back to Mexico with his family. It is our prayer that he will be a missionary to his own family. **Please, pray for Alejandro.** We are waiting for him to contact us.

New Visits.

A lady with her daughter and granddaughter started to visit us with regularity. They are bringing with them another young lady that recently delivered a precious girl. Only the elder lady seems to be saved, but the others are not saved yet. **Please, pray for the salvation of Nancy**, the lady's daughter, **and Reina**, the one who had the baby. They are from Colombia.

Another couple, Daniel and Gisela, from Argentina, started visiting our church. They are not saved, but she had attended a Methodist church some years back. Since they feel isolated here, they looked for a church. They are listening with much attention. My wife and I are getting closer to them. They also have had a baby named Paula. They have another six year old daughter named Sol ("Sun" in Spanish). **Please, pray for their salvation as well.**

New Member.

During the last few weeks a man from Peru was visiting our church. Just recently he asked to become a member of our church. He has a recommendation letter from his former church in Peru. We met with him and asked him some questions, and also we told him of our convictions. We wanted everything to be clear (it saves some further problems). But he said he agreed with all we shared with him. So he has become a new member of our Lighthouse Baptist Church. Praised be the Lord! **Please, pray for this man, Miguel.** His wife and daughter are in Peru.

Pray For Another Missionary Family.

Pastor Torres announced his resignation as pastor of the church at the end of June. He said he has never been called to be a pastor. He just wanted to serve the Lord, but as soon as he took over the pulpit, he found out that he was not called to do so. His heart is more on personal evangelism. He has recently announced that he is leaving sometime in September to go to the States for further preparation. This last decision is mostly for his own older son, he wants for him to be in a good Academy. He is wondering much about his son's spiritual life. He is 15 years old. After much prayer and consideration, and also with much expectation, and resting in God's grace, we decided to have this little church under our responsibility. The members regularly attending are **nine people** without counting the pastor and his family since they are leaving. The church stills in an embryonic stage. In the **Evening Services we are about 13-15 people.** **Please, pray for us on this new and very important ministry.**

Pray also that some missionary family may come and help us here. WE NEED ANOTHER MISSIONARY FAMILY! ALSO WE NEED A PIANIST !! URGENTLY.

A Wedding.

Last August 3, I had the privilege to marry our own daughter, Damaris, with Nathan Kirkpatrick, a fine Christian young man. It was a very nice ceremony. We had people from Barcelona, (6 hours from us), and Oviedo (5 hours.), and of course, from the States (many hours). **Pray for Nathan and Damaris, and their new home that is now starting.**

Thanks

We want to express our gratitude for your faithful prayers and financial support. We remember you in our prayers, and are very conscious that we are serving the Lord here because you are faithful there. Rejoice with us on the good news we share with you. You are part of this ministry in Spain!

With our love and respect. In Christ's holy name. Yours,
