PRAYER LETTER September-October

Dear W.W.N.T.B.M.'s Laborers,

It is a joy to know that there are an army of Christians behind a simple missionary family! Your prayers in our behalf, no doubt, have an effective result in our ministries here in Spain. The Lord is answering your prayers. Recently a young man started to visit us regularly. He was recommended by another sister church in the north (Huesca). His name is **Luis**. We do not know by sure if he has fully understood the Gospel, but he is very interested and faithful. Please, pray for him.

There is **another retired couple that are from Portugal** that recently moved to our neighborhood. She is Christian, but the husband seems that is not. They started attending in the mornings. At the beginning her husband brought her to the church—she is on a wheelchair—and left her. But now he is in the services with her.

My wife has fallen and broke the two bones that go to the ankle (tibia and fibula) at the level of her ankle. She had surgery on Monday October 28. Surgeons put on her ankle a piece of metal with screws to fix it. The doctor says that her recovering will be very long (between two and a half to three months). At least for more than a month she will not be able to set her foot on the floor, then she will start a very long and painful period of therapy. Please, pray for her, it seems that it is very painful.

We have another especial request. **We are praying for some other couple of missionaries to come and help us here. Also we need a pianist.** When you are accustomed to hear the piano while singing you lack some thing if you don't have it. So, please, pray with us for a missionary family.

This month, from Friday 15, at 6:00PM to Saturday 16, at 6:00PM, we will perform another of our ministries; our **"11th Men's Prayer Conference (24 hours)**. Many preachers and layman come from all over Spain to attend this Conference. We have five fundamentalist preachers for these hours. Our subject this year is: **"Biblical Methods for Biblical Purposes."** Please, pray for this conference that the Lord be in it and bless us and encourage our hearts for the benefit of Spain.

About our family: **Nathan and Damaris** are doing well up there in Michigan. It seems that the Honeymoon endures! **Samuel** is doing fine. Pray for them.

May God bless you all as you are blessing others in far lands in helping them to fulfill God's call. Thank you very much for being faithful both in your prayers and financial support.

In the holy name of our Lord Jesus and for His glory. Yours,

The Sanchez Family, Spain.
