

December 2002

Dear W.W.N.T.B.M,'S Laborers,

The most
wonderful Season
has arrived. It is Christmas time!
Everything changes. The stores are much more
beautiful with it's garlands and lights. The music, though not all,
becomes sweeter and tender leaving behind it's regular
aggressiveness. The same believers and unbelievers remember in some
way that Christ was born.

But some difference has to be between these. The unbelievers are
looking for the external happiness and noise, and the believers are to
look for the internal joy. Why that difference?, because we have
received the benefit of Jesus' coming. He was born to redeem us; and
this is our joy: that we are the beneficiary of that coming.

Let us try during this Holy Season to see that some change from
external happiness to internal joy. This Christmas can be the first
real Christmas for someone. And it is our responsibility to tell them.

Merry Christmas from Spain!

The Sanchez Family wishes you that these Holy Days may
help us to be more holy unto the Lord. Christ's first coming took place
some 2,000 yrs. ago. Now, we are close to His Second Coming! Let us
be prepared for this next event while we are remembering His First
Coming!

Thank you again for your prayers and faithful support for the
souls of Spain.

In Christ's holy name.
Yours,
The Sanchez Family
Your Missionaries to Spain.
