*"Finally, brethren,
PRAY FOR US,
that the word of the Lord
may have free course,
and be glorified,
even as it is with you."
(2Thessalonians 3:1)*

Dear ,

Greetings from Spain in the name of our Lord Jesus Christ.

These two past months have been of very much blessings to us. There is a couple in our church that for about a year is attending regularly. We told you of Gisela that got saved several months ago together with four people more. We were praying since then for Daniel her partner, and guess what... yes, he had been saved this month. He came to me after the Evening service the first Sunday in February to say that he was saved. He accepted that he is a sinner—this was not easy for him to accept in our previous conversations—but now he repented of being so, and has accepted the Lord Jesus as his personal Savior. He has been gloriously saved! Please, dear people, rejoice with us! It is a time to rejoice in the Lord! The following Sunday in front of all the congregation he confessed Christ as his Savior. We have seen some changes in his life. He is now reading his Bible and praying daily. They are from Argentina. Please, pray for them. They are in the process of their legalization. They have already presented their paperwork to the authorities. **Pray for Daniel and Gisela and their spiritual growth.**

We are very thankful to all the churches and individuals that have sent their Christmas and Anniversary gifts and cards to us. We appreciate them very much. It is difficult to understand why is this, but December is a month with more days... at least it seems!

Also we are thankful for your prayers for us. Our church is little by little growing. We are meeting some 15-17 people each service. There is a young man that is willing to be baptized, and two people that have asked their membership. One of them is an elder lady that is willing to go to Barcelona, her city, to ask for the letter of recommendation from her former pastor. She moved to Alcalá to live with her daughter some months ago.

My wife is doing much better in her recovery. She is now walking without crutches. We are expending all mornings for her exercises she does in a specialized place. I bring her to that place everyday. Now she is going to try to go by herself driving the car. She is much concern of my wasting time. Anyway I use the time for reading some books I wanted to read.

As a church we have started several purposes for this year. One of them is to read the whole Bible during this year. Another is to read a book every two months at least. Also we want to learn six new hymns throughout this year. And another purpose is to be more involved in evangelistic efforts as a church. Everyone is involved in these projects!

Our new goal for Missions this year has gone from 3.973,80 € to 5.436,00 €. We have taken two new missionaries for support. The Lord is blessing us.

We would like to ask you a very important thing. We are in need of good music. Most of the music we can find here is the so-called Christian Rock music or CCM. Could you please help us to make a very conservative collection of Christian music for our church? My people are asking me for Christian music, and we want to give them solid Christian music. Probably some of you have used cassettes and CD's that you may want to share with us. We are sharing with them our personal CD's and cassettes, but the list is short. I told them that it is against the law to copy any music, so we need to provide them good music. Please, help us if you can.

May Our Lord bless you and your ministries as you are a blessing to us. We certainly appreciate your prayers and support in our behalf.

In the holy name of Christ. Yours,

Alejandro & Fina Sánchez
