

*“And, behold, thou shalt conceive in thy womb, and bring forth a son,
and shalt call his name Jesus.”*

Luke 1:31

This is such a wonderful text of the Scriptures!

One of the precious thoughts we can take from it is that the name Jesus means Salvation. Now, salvation was in the womb of the virgin Mary. She was not salvation: she had salvation in her womb, but she was not it. Only Jesus is our salvation, and the “propitiation for our sins: and not for ours only, but also for the sins of the whole world”. Thanks to God for it!

One year more has passed, and that means that we are one year closer to His second coming. During this year some have gone ahead to be with Him; the rest of us are remaining for Him. What a glorious day that will be when we will live with our Saviour forever. We will live with our Salvation forever more! But some others, sad to say, will not be there. This is one of the reasons why our Lord is tarrying His coming. He is “not willing that any should perish, but that all should come to repentance.” This is giving us time to tell others about that Salvation that once was in Mary’s womb, then was born, later was crucified for our sins, after three days was risen from the dead, and now lives to intercede for us at the right hand of the Father. Should we tell others about their salvation? Yes, and this Christmas Season is a great opportunity to tell them the most wonderful Story that this world has ever had.
