Reaching Spain for the Glory of God!

Prayer Letter: March-April 2006

Dear Praying Friends,

"Beloved, I wish above all things that thou mayest prosper and be in health even as thy soul prospereth"

3 John 2

What a good salutation this is if we really prosper in the growth of our souls! Sometimes we have to thank God for His mercies that, even when we don't grow much in our souls, our health and physical prosperity are still there. But at the same time, these greetings should stimulate us to grow spiritually in order to reach the same level of our health and physical prosperity. May God help us in this!

We are going to share the more relevant news of these passed two months with you:

Missionary Bill Adair: He has come to help us in our work in this area. Remember his family in prayer, as they remain in the USA. Their visas have not yet come after six months, so he decided to come alone and is hoping that their visas will come soon.

Evangelism: There are nine villages we have started to evangelize. They are small towns, but among all of them there have to be people that will get saved. All of them are located about five minutes driving from our home.

Translation Committee: As you already know, we are in the process of translating the set of books called *The Fundamentals* (*Los Fundamentos*). One hundred years have passed since this was first published, and it has never been translated into Spanish. Please, pray for this project. Six of us are working with this. We opened a special fund at our mission's office for *The Fundamental Project*, because we want to see them printed one day. We already have \$125 for the future printing of the books.

Bible studies: We continue our studies with this dear elderly couple. Nino is 85 and Teresa is 78, but they are very desirous to learn more about our Lord. Praise the Lord for it!

Funeral Service: Surely you remember Gisela and Daniel. She is the lady in the picture. She died suddenly while in bed on February 22 at the age of 33. She left three precious daughters. We held the service in our church. It was very emotional service, but I was able to preach the gospel. Daniel and the girls plan to move back to Argentina.

Ladies meetings: Every first Monday of the month they get together at church. They get around the Bible, and Fina shares with them some studies appropriate for women. She also has an invitation to speak at a 24-Hour Ladies Meeting in Oviedo (Northwest of Spain) in June.

Grandparents again! Lord willing, we are going to be grandparents for the second time. Now, it is going to be a girl. The arrival is expected in May. My wife is going to stay with them for three weeks. Please pray for Damaris, and for Fina as she travels.

Please remember in your Prayers:

Our church, Lighthouse Baptist Church; Our ministries: Bible Studies, translations, the fund for printing purposes, the nine villages we are going evangelizing; Visas for the Adair family, etc.

May our God bless you all with His riches in glory. Receive our love, gratitude, and appreciation for all of your prayers and faithful support.

In Christ's holy name, we are your servants,

*Alejandro and Fina Sanchez
