

Merry Christmas!

***“Glory to God in the highest, and on earth peace,
good will toward men.”
Luke 2:14***

December 2006

Dear Praying Friends,

Once more, we are in Christmas Season. It seems that the years are flying. Another year has passed without notice. Now, the good thing is that every year we are getting closer to the Lord's coming. Are you not excited about it?

What a wonderful time we, as Christians, have on these days of Christ's birth celebration. Oh, the many blessings that came from that holy birth! It is right what we have read on top - the last part of that verse, "... good will toward men," makes me think on the will of God. God's good will is perfect. Man's wills are not so good. Sometimes we try our best, but very often we miss the target. Our pollution and flesh make us err. However, the good will of God toward men is white as snow, red as blood, and pure as a baby recently born - a Holy Baby without Adam's sin. God's good will is as good as the power of erasing our sins. His will is that no man perish, but that all would be saved by the pure blood of that Baby born about two thousand years ago. What a blessing to receive that good will of God toward us!

It is our deep desire that each one of you have a very special Season with your family around the table celebrating Christ's first coming. May these days be a time of giving to others as we have received - the good will from above. We must remember that there are many around us that have not received God's good will for their own salvation. May the Lord give this year us new saved souls that accept His good will through Jesus Christ our Savior. May also our churches and homes be of good report before the unbelievers so they can see that those that receive God's good will are just different, that we do not need alcohol, drugs, rock music, or things of this nature to enjoy Christmas, because Christmas for us means a completely different thing. Let us show God's grace.

We take the opportunity to express our gratitude for your faithfulness in praying for us and giving support to our ministry here in Spain. Also we want to thank those churches that have given to us their special Christmas gifts for our family. May God richly and abundantly bless you with all kinds of spiritual blessings.
