## Merry Christmas!

"Glory to God in the highest, and on earth peace,  
good will toward men."

Luke 2:14

Once more, we are in the Christmas Season. It seems that the years are flying by, as another year has passed without notice. Now, the good thing is, that every year we are getting closer to the Lord's coming. Are you not excited about it?

What a wonderful time we, as Christians, have on these days of celebrating Christ's birth. Oh, the many blessings that came from that holy birth. The last part of Luke 2:14, "...good will toward men," makes me think of the will of God. God's good will is perfect. Man's will is not so good. Sometimes, we try our best, but very often, we miss the target. Our pollution and flesh make us err. However, the good will of God toward men is white as snow, red as blood, and pure as a newborn baby: a Holy Baby without Adam's sin. God's will is as good as the power of erasing our sins. His will is that no man should perish, but that all men would be saved by the pure blood of that baby born about two thousand years ago. What a blessing to receive that good will of God toward us.

It is our deep desire that each one of you have a very special Season with your family around the table, celebrating Christ's first coming. May these days be a time of giving to others, just as we have received the good will from above. We must remember that there are many around us that have not received God's good will for their own salvation. This year, may the Lord give us new saved souls that accept His good will through Jesus Christ our Savior. May our churches and homes also be of good report before the unbelievers, so they can see that those that receive God's good will are different, that we do not need alcohol, drugs, rock music, or things of this nature to enjoy Christmas, because Christmas for us means a completely different thing. Let us show God's grace.

We take the opportunity to express our gratitude for your faithfulness in praying for us and giving support to our ministry here in Spain. Also, we want to thank those churches that have given to us their special Christmas Gifts for our family. May God richly and abundantly bless you with all kinds of spiritual blessings.
