Reaching Spain for the Glory of God!

Prayer Letter
June - August 2012

“Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth.”
(3 John 2)

Dear Prayer Supporters,

What a good salutation this is if we really prosper in the growing of our souls! Sometimes, we have to thank God for His mercies because even when we do not grow much in our souls, our health and physical prosperity are still there. At the same time, this greeting should stimulate us to grow spiritually, and to reach the same level of our health and physical prosperity. May God help us in this!

In our last letter, we mentioned about a water baptismal service we already performed. We have here a series of pictures related to that wonderful service we had. The first picture at the top is a view of the church attendance. The second one is a lady whose husband was saved and baptized last year. This past August, just a year after her husband was saved, she accepted the Lord Jesus as her personal Savior. Her husband, Clemente, was instrumental in her salvation. Her name is **Raquel** (Rachel). In the following picture, we have **Daniel**, a man from Argentina. He was saved some years ago, but was backslider for some time. He came back to our church. After a couple of years, he has grown a lot. He left smoking and alcoholic beverages, and attended church very faithfully. The fourth picture is Daniel's oldest daughter, **Paula**, a very mature 10-year old girl. She was saved in Fina's Sunday School Class. After a Bible class, she wanted to know more about salvation, and my wife led her to Christ. The day of the baptism, her testimony was just precious; simple, but she let us know that she really was saved, and wanted to obey the Lord in baptism.

The picture just below is of a Cuban man. He came a couple of years ago to our church. He surrendered to Jesus some years ago while in Cuba. Now, he wanted to be baptized after giving his testimony. We were praying for a job for him, and the Lord just recently gave him a job. Now, we are praying for the day that he will be able to bring his wife and young boy here to Spain.

It is our hope and desire that you may share with us our joy of seeing these precious souls following the Lord in His path. Please pray for them. Before that baptismal service, I conducted discipleship times, teaching each one through the fundamental doctrines, to be certain they understood all about their salvation.

Let us remember that you are a part of these lives. Do not forget them now.

Thank you so much for your efforts in helping us, both with your offerings and prayers.
