Reaching Spain for the Glory of God!

Prayer Letter June-August 2013

Dear Prayer Supporters,

The summer is almost gone. Soon, we will see the trees becoming bold by their changing leaves. People are coming back from their vacations. During these last months, we have gathered about half of our regular church attendance. Sometimes, we had less than twenty people, very few children in our Sunday School, and no possibility of choir... But, thank the Lord people are now coming back!

*“Finally, brethren,
PRAY FOR US,
that the word of the Lord
may have free course, and
be glorified, even as it is
with you.”*
(2Thessalonians 3:1)

We have scheduled for this fall special music training for the choir and the young people. Our goal is for them to read a sheet of music notes. We are collecting some musical instruments to encourage some of our young people to learn how to play them. At the moment, though in a very low level, we have some that have started playing recorder (we call it *sweet flute*), and transverse flute. We would like to have a little “orchestra” to play for the services and special music.

Any donation of some instruments appropriated for church would be greatly appreciated. We really believe that sacred music is very important for a sound church. **We also pray that the Lord may send us a good and solid, Christian music family to minister here with us.**

In July, my wife helped in the camp as she almost always does. This time, she was in the children's camp. Two of our children attended it this year (Jonatan and Candela).

July was a very special time for us. We had a wedding. Two of our young people (Javi and Giuli) got married on July 7th. It was a tremendous opportunity to witness for our Lord. The majority of the people attending were unbelievers. Javi is the only one saved in his whole family.

In our next letter, we will tell you about another couple that is going to marry in September. They are Arturo and Dámaris. See the picture below this one. **Pray for both of these couples that they may glorify the Lord in their new homes. Hopefully, in twelve years, we will have a lot of teenagers!!!**

Since we do not have too much news, I would like to use the opportunity to ask you for your e-mail address. If I could have all the supporters' addresses, we could save some of the money we expend for mailing and paper.

Please write back to us to this email address:

We pray the Lord may give us a very blessed time from now until Christmas with the possibility to see more people saved and more consecrated Christians in our churches.

Thanks so much for your faithful support, dear people. We are in great need of your prayer. It is my guess that you are also in need of our prayers as the days are drawing closer to the coming of the Lord.

In Christ's holy name,
Alejandro, Fina, and Samuel Sanchez
