## Reaching Spain for the Glory of God!

Prayer Letter April-June 2016

Dear Supporters,

It is a real blessing to serve our Lord Jesus. Though sometimes there are shadows, "it pays to serve Jesus."

**Assisting the Munuera family.** My wife and I visit the Munera family at their home every Monday at 7:00 PM. Praise God they have much improved in their relationship as husband and wife. They say that they are now happier than ever before. We are counseling them both in their dealings as matrimony and the way they should train their two boys (Mario (12), and Iker (5). The oldest child came to their marriage through a previous relationship. The Lord is working on them in a very visible way. They are now faithful to church.

**Trip to Israel.** As you may recall, I had an invitation to preach in Israel in the month of May. We had four opportunities to preach and teach. We met very fine people over there. Besides these blessings, we also had the chance to visit some of the places where the Lord Jesus walked, taught and did wonderful miracles. If you have ever been to Israel, then you already know what I try to say. If you have never experienced it, you must do it.

**A Very Important Subject. We are in the process to start a new church in Villanueva.** We have a good place to start the church. However, we would need about \$20,000 for the initial payment, which we do not have currently. But we can afford the monthly payments for about ten years. Would you prayerfully consider the possibility of helping us on this first payment? The building has two big doors at the front, and inside has two floors for different departments. The total price is about 73,000 USD, (65,000€) We are so excited to think that another church could be opened!

**Ministry in Villanueva. A Bible Exposition in Villanueva.** On their Cultural Week from July 4-9<sup>th</sup>, the City Hall allows us to conduct an exposition of Bibles. It will be a very good opportunity to witness and have contacts with people of our own town. Please pray for a good number of contacts and opportunities to witness.

**Mailing.** If you would like to receive our prayer letters through MailChimp, please send me your email address where you would like to receive the letters. It would save us some money on the surface mailing. Since we have the technology, let's use it!

**Baptismal Service in September.** Lord willing, we will have a baptismal service after the summer. Two people are to be baptized: **Andrea**, previously baptized by a woman in the Charismatic church a number of years ago, and **Petru**, one of our young people from Romania. He was saved at the Sunday school with my wife, Fina, some years ago when he was 12 years old.

To our dear people: churches, pastors, families and individuals. You need to know how much we appreciate your prayers and your financial efforts for us. Very often, we give thanks for you because without your obedience to God in helping us, we could do nothing here.

In Christ's holy name,

The Sanchez Family – Fina, Samuel and Alejandro
