Reaching Spain for the Glory of God!

“So teach us to number our days, that we may apply our hearts unto wisdom.”

Psalm 90:12

July-September 2017

Dear Supporters,

Time flies. This well-known sentence is a reality. We should pay much more attention to the work we do here for the Lord. Let us be prepared. The Lord is coming! Some people reject the idea that the end of the world is approaching. They say it is too much of apocalyptic-religion-thought. And certainly they are right; it is not the end of the world that is coming, it is just the approaching of the rapture of God’s people, and the Great Tribulation will be at hand. Brethren, let us be prepared. Let us “*number our days, that we may apply our hearts unto wisdom.*”

It seems that just last week we were visiting some of our churches in the States, and three months have already passed.

There were a few members that have left the church since we came back from our little furlough. We are praying they may come back to our church again. Please pray with us for them.

This summer, Fina assisted in the children’s camp as she usually does. The Lord used her to bring Lorena to Christ. After the preaching invitation, Lorena, an 11 year-old girl, was assigned to speak with Fina, and she was able to present the plan of salvation very clearly. At the end, Fina asked her if she understood everything. Lorena responded to the gospel and was saved that day. Some weeks later, Lorena’s parents invited us to her baptism. As soon as Pastor Felipe knew we were coming, he asked me to preach. We had a very great time with them and others. Since they do not have Sunday evening services, the whole family invited us to one of their homes. We had ten people in total. They started asking spiritual questions.

They were so hungry to know more and more that we stayed with them till midnight. I remembered the Apostle Paul preaching so long that Eutychus fell down and died. Thank God it did not happen to us because I am not the Apostle Paul! Right now they are considering attending our Bible Institute. Twocouples live in Valladolid, a city about three hours away from our church. They would like to come on Saturdays and study from 5:30 to 8:30 PM with permission of Pastor Felipe.

Lord willing, the ladies of our church are going to have a baby shower on September 30th. Pray that they may have some family visitors. Fina will be speaking to them.

Please pray for Sister Asunción from our church. It seems her health is rapidly declining. She is 93 yrs. old. We visit her and her daughter (72 yrs old) very often. Both of them are widows.

Pray for the CEBE (Ebenezer Bible Studies Center). May the Lord bring some young people to our classes, so they may be prepared for services in their local churches.

We want to express our gratitude for your prayer for Samuel, our dear son. He is doing much better and seems to be more controlled. Right now he is spending the whole week with us and his behavior is all right. We thank the Lord for it.

We pray for all of you, the means God uses to make provision for us to stay here preaching the Gospel to our own people in Spain. We are very thankful for all the effort you have put forth on our behalf. May God bless you all as you are a blessing to us.

In Christ's love,
