

October-December 2018

Dear Supporters,

It is not necessary to say again how fast time is passing by. Job said, *“My days are swifter than a weaver's shuttle.”* I identify myself with him, though I hope that my days will be of some profit as long the Lord give me more of them.

I need to share with you that in August our mission agency organized a trip to Germany for all the missionaries working for the Lord in Europe. It was just wonderful to see other fellow servants that we only get to see once in a while. We had the opportunity to encourage each other with our messages, conversation, and fellowship. Everything was just unique. Fina and I took the opportunity to visit Austria for a few days. This has been our first trip to Europe outside Spain.

In September, we had the visit of a young married couple. They attended several services while they were on vacation. She was saved many years ago, and he was unsaved. One Sunday morning after the preaching he manifested his desire to be saved. We talked after the service, and, with tears in his eyes, he was gloriously saved. His wife who was backsliding came back to the Lord that same day. They live far away from us and no church is close by them, but they hear the messages via the internet. They are going to come again for Christmas. Please pray for them. They are Santiago and Veronica.

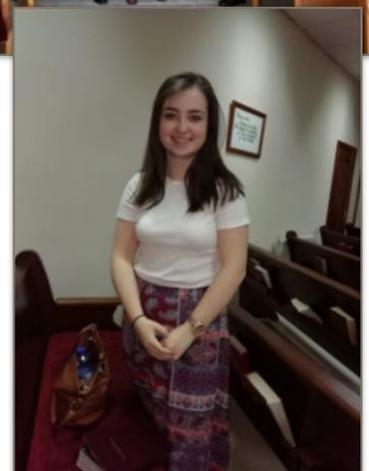

In November we held the 27th Men's Prayer Conference. For twenty-four hours we were together and had five different preachers. We heard good preaching on the subject found in Romans 13:12, *“The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light”*. We all were blessed. After each preaching session, we had a season of public prayer with no time limit.

I want to say a word of appreciation for all the cards and gifts that many of you sent for our birthdays and anniversary. Thanks so much, dear people, you have been very kind. May our God bless you.

In the picture to the right is a student from Northern Ireland. We have the opportunity to minister to some students from other countries that come to the universities here in our area. Please pray for her. Her name is Abigail.

When they saw the star, they rejoiced with exceeding great joy. *Matthew 2:10*

We also ask your prayers for the studies we hold in a home on Saturday evening. We get together from 7:00 pm to 10:00 pm, and give them some various Bible studies as well as answer the many questions they have. This is that family that came to live close by us to be able to grow more and more in the Lord. There is another family that comes from almost three hours away to spend the weekend with us to have these classes, attend the services in Alcala, and come to the second service in Villanueva, our new church. They have to leave after lunch to be able to go back and be prepared for Monday. They are so precious and really want to learn and grow in the Lord.

Please continue praying for our two churches, the mother and the daughter. **At left** is a picture of the mother church: Lighthouse Baptist Church, in Alcala. **At right** is New Life Baptist Church in Villanueva.

We take this opportunity to say

Feliz Navidad!

Merry Christmas to all of you!

We are so thankful for you. You are the means by which the Lord is working here in Spain. We give thanks to our God for you because we acknowledge the sacrifices you make for us as missionaries, not only us here in Spain but in many other places around the world.

We hope you enjoy this season both with your dear family and the family at your church. Receive our love and gratitude for your prayers and very faithful and constant support. The Lord be with every one of you.

In Christ's holy name. Yours,
The Sanchez Family in Spain
