***“Finally, brethren,
PRAY FOR US,
that the word of the Lord
may have free course, and be
glorified, even as it is with
you.”***

(2 Thessalonians 3:1)

Dear Supporters,

Receive our greetings from Spain in the wonderful name of our Lord Jesus.

First of all, we want you to know that we often pray for all our dear churches, pastors, families, and individuals that sacrificially month by month present us before God's throne interceding for us there and are also sending financial support here. We give thanks to the Lord because you all are the means and channels through which the Lord is providing for us to preach the Gospel here in this country. May the Lord bless you all as you bless us.

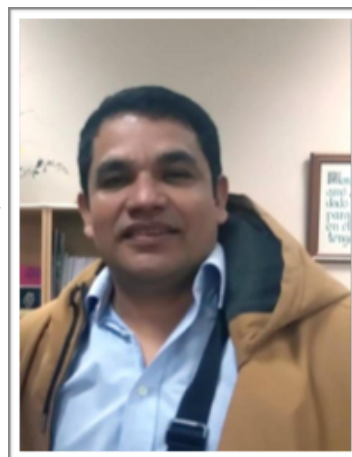

My wife and I started this year in the States visiting our family there. We needed to meet our latest grandson, James, who was born in October. We enjoyed our stay with them so very much. This time, our children were so gracious to us to pay one of our two tickets. You can imagine how good it was for Fina and me to be able to hug them, kiss them, and play with them. This picture is so you can have an idea of what I am talking about.

As far as the ministry, we want you to know that in February we celebrated the first anniversary of our new church in Villanueva, New Life Baptist Church. We have not yet experienced the blessing of seeing someone saved. The first Sunday of each month we organize a lunch after the morning service. Last month we counted 19 people at the table. Please join with us in praying that the Lord will give us some souls from this little town. They are very kind to us. Many people know the church and us, but they do not show any interest in God's salvation. There are two Christian families in the city, but they are attending a church 30 minutes away by car. I understand that they are members of that church and are involved in some of their ministries there. Anyway, it is good for them.

Meanwhile, at Light House Baptist Church in Alcala, we received a visit from some people that are from Venezuela. They are coming to Spain because of the conflicts happening in that country.

The first that came was Richard. He is married and is waiting for his wife and two daughters that may arrive soon. (Their picture is at the left.) Due to the number of times that electricity goes down, the paperwork they need to have has been delayed. Brother Richard comes from a different kind of church, but he attends our services faithfully and accepts the teachings with gladness. In fact, he is attending our Bible Institute. He is a precious brother and has a dear soul as well.

Also, as very often the case, we have several international students. The picture to the left contains a part of our church. From left to right: Alvin (from Germany), Abigail (from Northern Ireland), Michelle (from Mexico), and Anni (Alvin's wife from Germany). All of them have some level of Spanish. We took this photo at a fellowship supper after the evening service.

In January we started the new school year at the Bible Institute (which we call C.E.B.E--Ebenezer Bible Study Center). We have seven students who are very eager to learn. Brother Torres is helping me here as well as with the Light House Baptist Church.

Lastly, I have to ask for your prayers for my wife. She had surgery two weeks ago. The surgeons did what they call an *eventration*. This means that due to the three c-sections she had, the muscles and some inner parts have become weak and cannot hold the intestines. They had to put a net inside her. It seems that the recovery is very slow and painful. She will not be able to exert any effort or carry heavy loads for more than a month.

Samuel usually does well, but sometimes he becomes a little excited and nervous and has to take some extra medicine. We can tell that changes are not good for him.

Please do not forget the work we are doing for you in this part of Spain.

May our good Lord be with all of you and bless you in many ways.

In Christian love and at His service,

Brother & Sister Alejandro Sánchez
