

Prayer Letter April-June 2020

Dear Supporters and Friends,

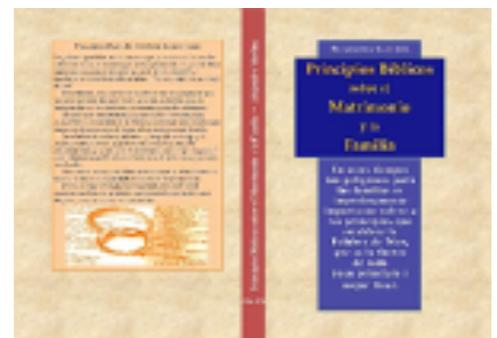

There is not much we can say about these three last months. We missed church for 14 weeks in a row. This next Sunday, June 21, we are going to restart our meetings. We still are under restrictions that we must follow, but we have been informed that we will no longer be under a state of alarm as of this next Sunday. Even so, we must have our masks on and keep a social distance.

It has been our prayer during these weeks that Christians would not fail in our faith, but as people very often say now, *"We will start a new normal."* It may be so for us as believers too.

It is my personal belief that there is not going to be such a *new normal* for this world. This world is not going towards a *new normal* but rather to an *old normal*. The hearts of the people have not changed a bit. They are still rotten. In Jeremiah 17:9, God says very plainly, *"The heart is deceitful above all things, and desperately wicked"* Dear Brethren, no matter what happens to this world, people's hearts are not going to change. We remember the case of Pharaoh. No matter what any of the plagues did to them, Pharaoh's heart was more and more hardened. We can see the same situation in the last book of the Bible. In Revelation 16:11, we read about people's hearts under the vials of the wrath of God as they pour out over this world. Look at their attitude: *"And blasphemed the God of heaven because of their pains and their sores, and repented not of their deeds."* It seems to me that this world is not going into a *new normal*, but rather, as I have said, to their *old normal*. Very soon, we will see all people going back to the same vices. The stadiums will be full again. The theaters, dancing places, bars, etc. are going to be the same as they use to be before these catastrophic months.

It would be good for Christians, who are saved by the grace of God, to use this time to meditate upon our ways and go on into a NEW normal. New because our Christian lives will be improved and different from the ones we use to have. And normal, because it would be the one which should be the normal Christian life. The unbelievers should not go back to their OLD normal, and Christians must go forward to the kind of life that should be normal for us. We must understand that our spiritual lives were below normal before this crisis. We have to go up to the *normal* way. May the Lord help us to come into a spiritual NEW NORMAL.

During these months, we have performed and put together the texts of my new 218-page book titled *Principios Biblicos Sobre el Matrimonio y la Familia* (*Bible Principles for Married Couples and Families*). It is my prayer that the Lord might use the writings to help many married couples and families with their difficulties. Satan is obsessed with destroying families because that is the best way to destroy society. Maybe you would like to send some of the books

to your missionaries in Spanish-speaking countries. Amazon will soon have them to print on demand, and they will be able to receive them in their country.

I also prepared the revised second edition of my previous book *Palabras de la Palabra* (*Words of the WORD*), also in Spanish. The book is in the print shop right now.

We thank our God that none of us, whether family or the people in our two churches have been infected with

COVID-19. Praise the Lord for that. We hope that none of you have been infected with that illness either.

We pray for you very often, giving thanks to our God for your faithfulness in supporting us both physically and spiritually. Thanks so much, dear people.

May the Lord give us a revival in our hearts in these last and perilous times. Maranatha!
