

**“So teach us to number our days,  
that we may apply our hearts unto wisdom.”  
Psalm 90:12**

Dear Supporters,

Greetings again from Spain in the precious name of our Lord Jesus.

Months are passing by so quickly; as we used to say: “Time is flying.” Just recently, I preached on Psalm 90, where the Lord reminds us about counting our days. Have you tried to count your remaining days from today till you should have 80 years? I invite you to count them. You will be surprised at how a little number of days you have left. This will bring wisdom to your heart about using your remaining days. Someone has said, “The thing for what we will be more sorrowful when we get to heaven will be to see how little we have done for Him while we were on this earth.” May God teach us this kind of wisdom to be applied to our hearts.

There are several blessings we have to share with all of you, so you may rejoice with us. In fact, all the blessings we may have here are due to your faithful prayers and support. Very often, we give thanks to our God for all of you!

Last May, we celebrated our first church anniversary. When we first started, we had two families; eight people in total. But, Praise the Lord, we count now with some thirty people regularly attending. Apart from that, two families are still unable to attend church due to their work. We pray that the Lord may give them another kind of job. Even so, they can follow the services at a later time on YouTube. By the way, all of you may watch our services and my preaching by searching for Iglesia Bautista Vida Nueva Valladolid on Youtube. I hope you can do it from time to time. You may join our services, which are streamed at 11:00 AM Spain time. Otherwise, you may see only the preaching at any other time. We have several faithful families and individuals that follow us from other places in Spain, Mexico, the USA, and different countries in South America. Please pray for this ministry.

We would like to ask you to pray for the four people who will get baptized in the first part of September. There are two ladies, Adriana, and Pati (short from Patricia), and two men, David and Santi (short from Santiago, which is James). Three of them were saved in our ministry. The fourth, Adriana, was baptized a number of years ago in another kind of “church” by a lady pastor (Shepherdess). Since she came to our church, she has grown so much! She is now sure of her salvation by grace and is ready to be baptized in a biblical manner. She knows that her previous baptism was not from God; rather, it was totally unscriptural. Please pray for them and the service, that it may be for God’s glory and a good testimony to the people attending.

Another blessing we have to share with all of you, dear people, is it seems the Lord is providing a prospective pastor for the future of our church. A local church in our area brought a young family from Venezuela to assist the church. The Lopez family came fully supported by the church, but unfortunate circumstances at the church left this family searching for God’s next direction. Bro. Jorge now has no job and no money to return home. Our church and I began ministering to the family, and they now attend our church. The little girls’ behavior speaks well of their parents! They are very well-educated, tender, obedient, and nice children. I am getting to know Bro. Jorge through meeting with him each week. In our first conversation, we talked for four hours. He explained their situation, told me about his academic preparation, biblical doctrine, and convictions. Afterward, I told him that we are praying for a future pastor for our church. He answered, “Pastor, I was praying to know what I should do...I believe this could be the door the Lord is opening for my family and me. You have been the answer to our prayers.” I am excited about this prospect and believe he could be a good pastor for our church. Please pray for the Lopez family and our church as we seek God’s direction. As always, your gifts and support help our ministry cover needs like this one.
