

*"For unto you is born this day in the city of David a Saviour,
which is Christ the Lord."*

Luke 2:11

December 2023

Dear Supporters,

The Christmas Season has already come and, with it, the remembrance of Christ's first coming. It appears that people's hearts are more tender and receptive to that event. The sweet music, a baby born in a manger, the shepherds, the snow, and the animal make a very tendered picture to the sensibility of mankind. But every year, we have the same result: very few accept the salvation offered by that Child born in Bethlehem. The Season will go away once more, and in January, everything will be just about the same for the great majority of the people. But what about us? Are we going to follow the same steps that the unbelievers?

In this Holy Season, there is a great danger. There is a tendency to be more entertained in the wrapped paper of the Gift than in the Gift Himself. The gifts, Christmas banquets, decorations, special programs, etc., can distract us from the main purpose of remembering Christ's first coming to this earth to give His life for us. Let us do both, which will be the best to praise the One Who, "being in the form of God, thought it not robbery to be equal with God...and became obedient unto death, even the death of the cross. Wherefore God also hath highly exalted him...That at the name of Jesus every knee should bow...And that every tongue should confess that Jesus Christ is Lord, to the glory of God the Father." Amen!

One day, all the unbelievers will bow before Christ, but we, the believers, should do it even now while we are on this earth to witness those who will one day bow, though it will be too late for them.

May our great God Jesus Christ bless you with many blessings from above, not only till the end of this year but throughout this coming year 2024!

May the Lord come that year. We are still waiting. Maranatha!

With Christian love,
Bro. Sánchez and Samuel
