

SPECIAL PRAYER LETTER *January, 2025*

Dear Supporters,

I hope that you are enjoying God's provision and many blessings from above. I am writing this letter to introduce a very important subject.

Building Project

As we wrote in our previous prayer letters, we need to move into another building to have more space for our attendees. The increased number of people attending made us see that we need a bigger building to meet the needs of our church. We are thankful to our great God for the blessings we have seen in the last three years since we started New Life Baptist Church (Iglesia Bautista Vida Nueva) in Valladolid, Spain, a city of over 300,000 souls!

The Lord put in our hearts to present this need to our supporting pastors and churches to see if it is His will for us to raise 40% of the total cost of a new building. If we can reach this goal, we plan to get a loan for the remaining 60% plus 10% for the cost of paperwork and transaction expenses. Reaching this goal would confirm God's will for us to move to another building.

Please ask the Lord if He would have you participate in this project. Together we can invest in this building for the cause of Christ and for His witness to our community here in Valladolid, Spain.

As missionaries with World Wide New Testament Baptist Missions, we have discussed this project with the president, Dr. John O'Malley, and also with our pastor, Mike Renfrow, of Trinity Baptist Church, Wilson, NC. They are both in favor of us raising these funds. If you wish to give towards our church building, please make all checks payable to World Wide New Testament Baptist Missions. Please designate the funds for New Life Baptist Church - Sanchez.

Some Information About The Building

The building has about 200 square meters (some 2,200 square feet). They are asking 115,000 Euros (about \$121,000). It is in a better location, on a corner with much traffic passing by. It also has a wide parking lot very close to it.

The owner's price is: \$121,000 USD. We, as a church, believe we can afford a bank loan of 60% of this price, so the need we have is for the 40%, which would be some \$48,400 USD. Would you prayerfully consider giving towards this remaining 40%? Thanks so much for even considering our need! We just want to fulfill God's will.

In this link you may see the building, if you so desire: <https://www.fotocasa.es/es/comprar/local-comercial/valladolid-capital/pajarillos-altos/163426387/d?stc=dis-sharead-sharead>

I beg you all to prayerfully consider if it is God's will for you to help us on this holy project. As we wait for your very kind answer, we pray that the Lord may show us His perfect will on this building project.

In Christ's holy name, and at His service,

Bro. Alejandro D. Sánchez
