

Prayer Letter May – July, 2026

“Redeeming the time, because the days are evil.”

Ephesians 5:16

Dear Supporters,

Time is very important. The very same author of time, the Lord Jesus, left Heaven, and as soon as He came to this earth, had to submit Himself to the time He created. Knowing what it is to live under time, He used the apostle Paul to remind us that we must redeem the time God puts in our hands. May we attend to that exhortation.

Water Baptismal Service: On July 12, we had the joy of baptizing four precious souls. Bro. Alcala, Sis. Alvania, and two of our young girls, Abigail (13 yrs.), and Ayleen (12 yrs.). There were about 50 people, and some nine visitors. Another family told me that they would for sure come, but suddenly, on Friday, the lady had to go to the emergency room and was hospitalized for a few days. Please, pray for Mr. Juan (John in English). We have known him for a number of years, but this is the first time that he has accepted the invitation to attend a service. I called him by phone last Tuesday, and he said he enjoyed the visit very much and that he would surely come some other day. He especially expressed that he felt very welcome because the people are very affectionate.

*“Finally, brethren,
PRAY FOR US,
that the word of the Lord
may have free course, and
be glorified, even as it is
with you.”*

New Building Project: This matter is still ongoing, but I believe it will be resolved very soon. All the paperwork is already at the bank for their consideration. We trust that in a matter of a few more days, they will tell us something. The Lord has provided these amounts for the new building. From our supporting churches in the USA (in Euros), 17,000€, from our church, 34,000€, and personally, 17,000€. In total, we have a down payment of 68,000€. Besides that, I negotiated with the owner for 5,000€ less, bringing the total price to 110,000€. We are asking for a loan of 42,000€, which is very affordable for us. Though we have to wait for the final word from the bank, we praise the Lord for what He has done till today! Thanks to all of you who participated in this project. Let us pray for the final bank resolution.

Bro. Mario already has permission to legally work in Spain! He is from Mozambique, in the southeast of Africa. Pray now for the authorization to bring his wife and two children with him.

Our ministry: We have two services on Sunday, a prayer meeting on Wednesdays, and Bible Studies on Fridays. On Saturdays, I am teaching Bro. Jorge (George in English). He told me a couple of months ago that he wanted to serve the Lord. I am training him as best as I can to make him a good servant of the Lord. (At right is his picture.) He is married and has two daughters. His daughters are the two young ladies who were baptized. (See picture on first page.)

The Youth Group: The young people of our church are being very faithful in their meetings and assignments. We feel very blessed by this group. For years, we longed for the day we could have a youth group. One of our young men decided to sing a solo for the first time. (Pictured below at right.)

Dear Pastors, families, and individuals. Please keep on praying for us here in Valladolid, Spain. We do appreciate very, very much all the support we constantly receive from you, both financially and in prayer. We are in need of both!

We constantly give thanks to God for you all!

Bro. Alejandro D. Sanchez

P.S. Concerning Samuel and me, we are both very well, thanks to our Lord!
