**2005 ANUAL MEXICAN FIELD CONFERENCE JAN. 17-21**

## Greetings from Beanland:

It has been quite a while since my last letter of information to you. It has been such an interesting summer and so full of activities that Delia and I have hardly found time to even breath. I say that in a good and positive way.

I continue to pastor two churches and that really keeps us jumping, especially on Sundays. We are finally seeing some positive production in the Mira Mar church. Delia and I have been visiting almost every day and have made more that 45 visits to homes just this month. One new family joined the church. Both the husband and wife are graduates of the Bible college and are helping out with the preaching. The people are still very negative and fight almost everything we do. We have two other families visiting. On the positive side, the pastor, who has taken a few months off while I have worked with the church, has asked if he could come back and work with me. His problem was administering correctly and allowing the church to run him instead of pastoring it as he should have done. We have dealt with most of the bills and expenses and now have a little money to work with. Delia and I have been able to save them almost \$2000.00 in needless payments by working with the government authorities. Please keep praying as this is still a delicate situation.

We took 27 teens from four churches to the ocean to camp out for a few days. We only allowed Christians to go because we really wanted to challenge them. This is something we could not have done with a bunch of un saved kids along. All the kids really minded us and it was one of the most spiritual things we have ever done with teenagers.

We also have had one VBS after another. Liliana Sarmiento came up from the Yucatan to help, and with Delia, have done a great job. Several kids have made decisions.

We have also found time to squeeze in a mission conference involving three of our Mexican churches. I am happy to see them get involved.

In Christ Jesus, The Shaws

  
*Not by works of righteousness which we have done, but according to his mercy he saved us, by the washing of regeneration, and renewing of the Holy Ghost.*
