

FOR UNTO US A CHILD IS BORN. UNTO US A SON IS GIVEN.

Jerry and Delia Shaw wish all of you a very Merry Christmas and a bountiful New Year!

We want to thank all of you who prayed for us and supported the ministry this year. You have been so very kind to us for so many years. It is your prayers and gifts that sustain this ministry. We want you all to know that we are grateful to you, especially in these very difficult economic times.

Our wonderful blessing this year happened on November 11th, with the birth of our granddaughter, Jazen Alexandra Shaw. She weighed 7lbs 4oz and was 19 in. long. Neither grandmother can keep their hands off the new baby but both granddads seem afraid of holding her because we think she will break.

The new kids in the Bible College are now beginning to win souls and are now preaching. They are eager to learn and easy to teach. Obviously I have a lot of work ahead of me teaching them how to make preaching outlines and how to preach effectively, but I have been pleased with what they have done thus far.

Most of the churches are doing well, howbeit, there are a few that are struggling. The church where I am pasturing has grown some this year, but what it encouraging to me is the fact that the maturity of the people is beginning to show.

I have been concerned lately because I have not won many souls for the Lord, but I have begun to have success these last few weeks and months and have been able to lead several to the saving grace in our Lord Jesus Christ.

Delia continues to work very hard, teaching Sunday School, teaching in the Bible College, winning souls, and taking care of me. We recently celebrated our 29th anniversary. We both continue to work every day from 8 to 15 hours per day. I pray and give thanks to the Lord for the ability to do it because it is joyful.

It is our desire that all of you enjoy a glorious and blessed Christmas.
