Special Prayer Letter

September 27, 2013

Greetings from Beanland!

The people of the community where I have been working for several years are very poor and have no church building. For several years they have saved money and have purchased a very small but expensive property right on the highway. We are currently using a house for our services. The owner has asked for us to vacate the house within six months. There is nothing else available to us. I have a house down in the Yucatan area that I had hoped to sell and use the money for the building of this church, but after two years we have not had anyone interested in buying it even though it has been reduced in price.

Because there are no places available for our congregation to meet, we will have to build on our property or abandon the work. This is something we do not want to do because we use this particular church to train all our preacher boys. No other church would give them the opportunities to develop as pastors.

We are not looking for anything fancy, we just need a place for the congregation to meet. They can do all the finish work as they tithe. I seldom ask prayers for money because I know most of our supporting churches have many burdens. There doesn't seem any other way to raise the needed funds but to involve all of you, asking that you pray with us for the \$15,000 to \$18,000 needed to rise up this church building. It will be 10X13 meters, or approximately 32 feet X 42 feet. This includes the 4 walls, windows, doors, roof and cement floor. The plaster, pulpit area, chairs and other things can be done by the congregation.

I have been a missionary in the country of Mexico for over 40 years, and the Lord has allowed me to build or help build 20 churches. This will be the 21st, and I am sure it will be my last church. This one is kind of urgent so please pray with us for this church building.

In the circumference of His matchless love,
Jerrel K. and Delia Shaw

Remember, you are invited to our annual missionary field conference.
Please make plans to come January 20th through January 24th of 2014.
