November 2013

Greetings from Beanland!

Blessings, blessings, blessings! In September, we asked prayers for funds to build a church building. If we do not have one built by March of 2014, we will have to abandon a work of 12 years. People and churches began to respond immediately. Our goal was to begin construction upon receiving 50% of the needed funds. We were praying we could obtain that amount by December. Surprise, surprise, surprise! We have already reached that amount and will begin digging the foundation on Monday, the 28th Of October.

On Sunday the 27th, I wrote the amount of money received on our church bulletin board, and the response was one of great happiness and joy. We grabbed a shovel, and everyone trotted out to the lot where we held a service of praise and prayer of dedication. Each family turned over a shovel of dirt, and everyone had the pleasure of participating in this once in a lifetime event.

We wish to thank everyone for your prayers, and say a special thank you for all of you who have sent money, so that these dear Christians will have a place of their own to worship our Lord. We have a theme which comes from the first part of Proverbs 11:11, "By the blessing of the upright the city is exalted."

In the circumference of His wonderful love,
Jerry and Delia Shaw in Mexico

PS. Special note: For many years, our mission board has mailed you our prayer letters, which we have appreciated, but they can no longer send them out. It is suggested that we send our prayer letters out by e-mail. Some of our supporters are set up to receive them by e-mail and others are not. We have very few e-mail addresses. Could you please send us yours as soon as possible? It would be a great help to us.
