

The Stelzigs

MISSIONARIES TO THE CITY OF

Boston

Dear Praying Friends,

June 2017

It has been a while since our last update. We are so excited about what the Lord has been doing and how He has been providing over the last several months.

Many of you have likely already heard that Elliana Joyce Stelzig was born on May 31 at 5:50 AM. She was 8 lbs. 7oz. and 19 1/2 in. long. Lindsey and Ellie are doing well. Gabs is very excited to be a big brother and loves to "help" take care of his baby sister. Please pray for us as we raise Gabe and Ellie to love and serve the Lord, and please pray that they would both be saved at an early age.

Over the last couple of months we have been very busy with meetings. We have driven thousands of miles, made hundreds of phone calls and made many friends along the way. One of the most rewarding things about deputation is meeting believers from so many different and making friends who we know are praying for us faithfully.

It has also been exciting to see many churches partner with our ministry financially over the last several months. We just reached 55% of our needed monthly support and are excited to see how the Lord will continue to provide as we prepare to reach inner-city Boston with the Gospel.

For the remainder of June we have a more relaxed schedule as we adjust to life with Ellie. We still have several meetings in June and hope you will pray that the Lord would bless those meetings.

In July our schedule picks up and is pretty packed through the end of the year. Please pray that the Lord would give us wisdom as we manage our travel schedule with a newborn that likes to eat and a toddler that has a ton of energy to play. We try not to provoke our children to wrath by over exerting them or driving too long without enough breaks. This takes patience for me as I do not like to stop along the way.

Thank you again for all of your support and prayers. We are so honored and humbled to have so many praying friends and to have a part in the ministry of so many churches along the way.
