MISSIONARIES TO THE CITY OF

Boston

Praying Friends,

May 2019

We have been busy over the past few weeks! During April, Nick did daily door to door visiting for most of the day every day with an evangelist in the area who took a month of his schedule to help Lifeline Baptist Church with outreach. Nick was surprised with the good reception that they received, and ended up with several good contacts with which to follow up.

Also in April, Nick's brother and sister in law and their 2 children got to visit us and we enjoyed showing them around Boston. This will be our last time seeing them for several years as this month they leave for their mission field in North West Territories, Canada. At the end of April, we traveled to two churches for their missions conferences. They were a big blessing to us but we are happy to be home again!

Nick finished up the discipleship program he was going through with a man in the church and was very encouraged by his growth.

This month will continue to be busy with one more mission conference and Lindsey's sister's wedding. This summer, Nick will be preaching a Wednesday night series and we will be in charge of VBS as Pastor DiGiacomo will be on a mission trip to Scotland that week.

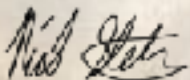

We realized that we forgot to mention in our last prayer letter that we are expecting another baby! Lindsey is due on October 7th, and we just found out that we are having a baby girl. Please pray for a healthy pregnancy and an easy and safe delivery.

We are very excited that this month, Gabe made a profession of salvation. We've been very cautious with him, as we want to be sure he understands and is not just praying a prayer. Gabe has been asking many questions, and one night as we were driving the questions turned into his accepting the Lord as his Savior. Please pray for wisdom for us as we continue to raise our children to love and serve God.

At the end of the summer, we will really begin to phase out of the ministry at Lifeline, as we will be looking to move into the city at the beginning of next year. We will be using that time to find an apartment and a meeting place, make contacts, and start Bible studies.

Thank you so much for your prayers and support!
