Dear Supporting Churches,

Happy Thanksgiving season to all of you! With thankfulness for your part in reaching the addicted in Mexico, we send you this update letter. The lives changed in Puebla are fruit that abounds to your account (Phil. 4:17). I hope you this letter encourages you!

One year of Hope Bible Baptist Church:

On Sunday November 12th, the people of "Iglesia Bíblica Bautista Esperanza" celebrated our first anniversary as a church. We seek to be a Christ-honoring church that reaches the broken that Jesus would reach. Our Lord has been gracious to this young church and on Anniversary Sunday, several visitors attended and heard the Gospel. God has worked and is working!

Manuel, Hope House Graduate:

At left is Manuel, who even as a professing Christian, battled with an alcohol addiction. We rejoice to tell you that at Hope House, he successfully completed a stay of 6 months, and developed his walk with Christ. The picture is of him heading back to northern Mexico to tell his family "how great things the Lord hath done" for him (Mk. 5:19). Pray that God will strengthen him for the battle on the outside!

Hope (Full) House:

With space sufficient enough to serve about 30 addicts at our current facility, the group at the right makes it so Hope House is full. We rejoice that due to God's provision through some of our supporting churches, in early December, we plan on continuing the construction of the new campus for Hope House, which, God willing, will permit us to serve up to 80 men at a time. Praise to God!

Personal thanks:

What a joy it has been to visit several of you this Fall. In all, we were able to be in 35 different churches this Fall. If we did not get to visit you here in Fall '23, our hope is to see you next Fall, God willing. May God give you a great conclusion to 2023!

For Christ and Mexico,
