May 30, 2024

Dear partnering churches,

God is moving in this second trimester of 2024 according to His faithful promises. Be encouraged as you see Him at work here in Puebla, MX. "He is the God, the faithful God" (Deut. 7:9).

Several new families have been attending "Living Hope Baptist Church" and we moved into the new rental building for Sunday services. Almost 30 new converts are taking our 11 AM Discipleship Class and for the 12 PM Preaching Service there are nearly 100 in attendance (pictured below).

"I WILL BUILD MY CHURCH"

The new building demands many physical improvements that the men of our church (and Hope House) have invested many hours into. It's great to see everybody doing their part.

"DIA DEL NIÑO"

To help the people of Malacatepec know of our new location, we organized a "Children's Day" recently that coincides with a holiday here in Mexico. It was a great blessing to serve our community and preach Christ to them.

ADVANCING WITH THE ADDICTED

Nearly seventy people attend "Hope Group" addictions meetings every Friday night. These include many addicted men and their family members who suffer in the process.

Thanks to God's provision through many of you, we will be moving into the new facility for Hope House for men in June. Here are some pictures of the almost-finished complex.

GREAT NEWS: HOPE HOUSE FOR LADIES!

For three years we have had to turn away many families seeking a Hope House for Ladies. Praise to God, we finally will open this vital ministry beginning in early August. The operating budget for it will be between \$2,000-\$3,000 per month. This includes rent, staff salaries, meals, etc. Thanks to Maranatha Baptist Church in Mt. Pleasant, MI, who will be sending this amount for three months, we have enough to begin in August and continue through October. After October, we are still seeking monthly support. **If 30 churches would contribute \$100 per month, this need would be met to reach lady addicts with the Gospel. Could you be one of them?**

A TRIUMPHANT BIRTH

My sweet wife gave birth to Deborah May Taylor at 6:58 PM on May 2. God is good!

Thank you for caring about us and the work here in Mexico!
