Y SU IGLESIA**

November 1, 2025

Dear partnering individuals and churches,

God's Grace is on display through changed lives here in Mexico (Eph. 1:7). You all are a vital part of it all, and so with joy we share with you how God is using us together to reach needy lives with the Gospel.

LIVES CHANGED AT HOPE HOUSE

Alberto (left) has been at Hope House for a month and a half. He was a crystal meth addict with no exposure to the Gospel at all in his life. Praise to God, he has professed faith in Christ, and his whole family is attending our church on Sundays. #OnlyGod

Joshua (right) came to us from Mexico City in August as an addict to several life-destroying substances. His mother sent him to us and God has worked greatly in his life. Joshua will graduate shortly and hopes to enroll in our Bible Institute in January.

HOPE HOUSE FOR LADIES

On the left is a picture from outside the new installations of HHL. The new place has much more the feel of a home for the ladies. Two of them, Rebeka and Briseida, who came as addicts are now students in Bible Institute. Only Jesus can do such great things! Below are recent photos of our growing church, "Iglesia Bautista Esperanza Viva", where both Hope Houses attend and celebrate the Gospel that makes free!

With gratitude,

Kristy Taylor
