

## Twenty-one States and a car wreck later!

October 2014

Our Dear Friend,

Since we last wrote, Sarah and I have traveled through at least 21 states, visited multiple churches, slept in many beds, and had one car accident! God is truly so good to us. Time and space forbid me to tell you every single detail, but I will fill you in on what I am able to.

We left Camp Deer Lake mid-August only to pick up the pace as we began to travel. Since we left we have had several meetings in very good churches as well as several impromptu visits anywhere from TN to ND to TX and everywhere in between! God has allowed Faith Baptist Church in Kilgore, TX to become our newest partners in the ministry of reaching Chuuk. We praise God and give Him all the glory.

Please allow me to give you a brief example as to how your prayers and petitions are being heard and answered in our ministry. We were driving through Willmar, MN in order to visit some friends that support us. We had made it all the way up without any incidents. We were within five minutes of our destination when a man ran through a stop sign and hit our car. We thank the Lord that, though there was some significant damage to the car, no one was injured. The man that hit us was a Muslim fellow. I was able to take just a brief moment to explain to him that the reason we were not mad at him was because Jesus Christ had saved us from our sins and that he could be saved as well. I was also able to give him a tract. Please be praying that this man will come to know the Lord.

Once we arrived at the Toyota dealer, I explained to the mechanic the situation and that we were Christians. He sent us to the lobby only to come and get us some moments later. After assessing the significant body damage, broken tie rods and bent struts, he commented, "You must have said the right prayer today." I was able to tell him that we had multiple people that pray for us. They were not even able to pull the car into the garage before it broke down, but because of YOUR prayers for us, we were able to walk away safely and get it to the shop without much of a problem. Thank you for your constant intercession on our behalf.

Please continue to pray for us as we attend meetings in the fall. Also, please be praying that we would be able to fill up our schedule for next year.

Thank you once again for all that you folks do for us. We appreciate your prayers and financial support, and we feel privileged to be coworkers in the ministry with you.

One aspect that we enjoy while traveling is being able to enjoy the beauty of God's creation throughout our nation. This was taken in North Dakota

I made a new buddy at Gunnings Baptist Church in TN. I would walk out of the door at night and hear, "JOOOSH, you didn't give me a hug!"
