Our Dear Friend,

Well, here we are already close to finishing the first half of the year! I am always amazed at how quickly time seems to pass. God has abundantly blessed Sarah and me throughout this first half of the year. We have had many great meetings, and out of those, many churches that the Lord has led to take us on for support! We are grateful to both God and those churches.

From April until now we have been all the way from Canada to Florida! Thank you for praying for our safety. I cannot think of one major incident that we have had in all of those miles. Throughout our recent travels we have enjoyed several missions conferences as well as individual meetings. We have met new friends along the way and have been able to catch up with old ones too. We are grateful for the opportunities that we have had, but nevertheless our hearts long to be in the islands.

However busy the first half of our year has been, the next half is guaranteed to be even busier! This coming November, Sarah and I are expecting our first child! We are so excited and we give God all glory and praise! In July we will find out the gender of the baby. I have a history of heart problems as well as a cleft lip and palate. Please be praying that if the Lord would see fit, He would allow our baby to

not have any such health problems. Sarah and I will continue our deputation journey throughout the pregnancy, but come mid-September, while I travel Sarah will probably remain home due to the extremely taxing schedule during that time. She has been feeling well, for which we praise the Lord. She wears out much quicker, but that is to be expected. Thus far it has been a smooth pregnancy! We cannot wait until November.

As always, thank you for the part that you play in the ministry with us as you pray for us and financially support us. The Lord has used you to get us to where we are. Thank you. Please continue to pray for safety as we travel and for Sarah during the pregnancy. We appreciate the prayers. Please do not hesitate to contact us! We want to keep in touch! We are grateful for you all.
