Our Dear Friends,

The last couple of months have been an odd mix of busy and restless. April proved to be quite busy as our little family traveled from Virginia to Tennessee, Kentucky, Ohio, Pennsylvania, and New York! God allowed us to have four churches take us on last month which put us at 89% of our needed support! Praise the Lord. We can certainly sense that we are at the end of the beginning!

Many of you may remember that I had hoped to take a trip to Chuuk in order to try to secure a house for my family. Apparently, the Lord had other plans. Due to several different health issues that came up and a minor procedure that had on May 25, it ended up not working for me to go to Chuuk at this time, for which we praise the Lord! Had I been in Chuuk I could have been extremely ill and have had no medical care to help. God knew what He was doing. So, much of May ended up being spent home catching up on some things. One praise is that the Lord provided us with the truck for which we were looking; it

was the right price and answered several prayer requests! We will picked it up this past weekend.

June, July, and August are going to be a different story, however. Once again, we get ready for a busy schedule of travel and meetings. Florida, South Carolina, North Carolina, and Virginia all are in our upcoming travels. Please be in prayer as we hit our last large batch of meetings. We would love to see the rest of our support come in! Finally, as we look to finish out deputation soon, we begin to look towards the giant move that we will make to Chuuk. With a container, shipping, plane tickets, initial house rental, taxes, and planning for other unknown expenses, we anticipate this move to cost between \$25,000-\$30,000, and possibly more. We would appreciate your prayers as we begin to coordinate all that must take place.

As always, thank you for your faithful support and prayers. We look forward to beginning the work in Chuuk as we lay up treasures in Heaven for both you and us!

Until the Islands Know Him,

Josh, Sarah, and Milena Wagar
