Dear Pastor :

Paul remained in Ephesus because he had a great and effectual door available to him. The Lord has given us in this day a far reaching opportunity. It is possible to touch the entire world with the message of Christ. Never have there been so many people in the world that have not heard a clear presentation of the gospel. I pray that God will give us vision enough to continue our reach into the darkness of this present day. As in Paul's day, we have many adversaries. The world, flesh, and the devil will do everything possible to stop us short of accomplishing our duties as set forth by the great commission. We have been blessed with a great harvest, and we stand in need of many laborers for the work at hand.

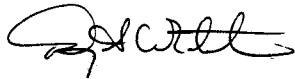

Our Lord has been good to us as we have traveled to various meetings this year. Praise the Lord we have seen folks saved, and believers who have drawn to a closer walk with the Lord. Thank you so much for standing by us in your giving and praying. We are constantly encouraged by your faithfulness to the Lord, and your kindness to us.

The mission is doing well. Mrs. Sharon Watson, our office manager, is in Mexico with her husband for eight weeks. We appreciate Mrs. Kim O'Malley's labor for the Lord in our office during Mrs. Watson's absence. The Watson's will begin deputation soon as they make their way to Mexico as missionaries.

Please continue to pray for us as we travel from place to place. We are honored to work with so many wonderful folks like you, the board members, our office staff, sending churches and missionaries around the world.

May the Lord richly bless your labor of love on His behalf.

In His Service,

Danny A. Whetstone
