April 2007

Dear Praying Friends,

Thank you for standing with us again this month. Darleen and I count it all joy to labor together with you.

The Lord has blessed in mission conferences in Virginia, Tennessee, Kentucky and Arizona. In a mission conference some years ago Brother Darrell Roe surrendered to the Lord's service. Two years ago that surrender sent him to Arizona City, Arizona, to start a church. It was our joy to be with them for their first mission conference a few days ago. The Lord has blessed them with a wonderful group of people to start the church. Pastor Roe invited four missionary families to the meeting. Two of the families are overseas missionaries, and the other two are starting churches in Arizona as well. We praise the Lord for these surrendered servants of the Lord.

Darleen and I also had an opportunity to spend some time with Miss Elsa Ramirez. She is a missionary to Mexico, and has served with World Wide New Testament Baptist Mission for many years. During our visit to Arizona and California she met us in San Diego.

While in California we had the joy of visiting the West Coast Baptist College and the Golden State Baptist College. We praise the Lord for the good work that each of these schools are doing in training servants of the Lord.

The Lord has been so good to give us safety as we have traveled so many miles. Darleen and I are confident that it is the result of you continued prayers on our behalf. Thank you for remembering us. We pray that the Lord will bless you this month with His abiding presence.

In His Service,

Danny A. Whetstone
