

DANNY AND DARLEEN WHETSTONE

March 2008

WORLD WIDE NEW TESTAMENT BAPTIST MISSION P.O. BOX 725 KINGS MOUNTAIN, NC 28086

In December 2007 I had the privilege of visiting some very wonderful servants of Christ in Myanmar (Burma). Pastor Jim Bailey and I are pictured below with two of these faithful men, Daniel and Abraham Mang. I

want to encourage you to continue praying for them. I never cease to be amazed at the great work of our Lord around the world. Oftentimes in places that we think not, the Lord

has a people, and those people are serving Him with all of their hearts. The Lord willing I will return to visit these dear folks in December 2008. On this visit we hope to travel to some areas beyond Yangon (Rangoon). I make mention of it at this time again because many plans must be made before the trip.

We continue to travel from church to church in mission conferences. Since our last letter we held conferences in South Carolina, Georgia, Florida and North Carolina. It is a blessing to see churches reaching beyond previous successes. I don't know that we have ever seen a better start to a new year. How we pray that the Lord would call others to go to regions beyond with the gospel of Christ.

Please continue to pray for us as we travel at home and abroad.

So many have asked about the church in Baghdad. This is a picture of the New Testament Baptist Church in Baghdad, Iraq. I am so blessed that many of you are still

praying for this faithful band of believers. It has been established for more than four years now. We rejoice that several churches have been born in Iraq, and we sincerely

pray that God will sustain each one of them that is standing true to His Word. It will be a glad day when we all get together.

Thank you again for your kindness to support our family and ministry. This is the second year that we have taken fewer mission conferences so that we can spend more time overseas. The Lord has been so good to bless this change. We covet your continued prayers.

I want to thank all of you who have prayed for my mom that just underwent heart surgery. So far she has done very well. Please continue to pray for her.
